### INACTIVE CORPORATION CARDS, ca. 1871#1988

36 microfilm reels

**DESCRIPTION:** This series contains annual report cards, amendment cards and inactive cards arranged alphabetically for companies incorporated to do business in Utah and was created by the Division of Corporations and Commercial Code to facilitate access to the Incorporation Case Files. The document cards contain information pertaining to corporation name, corporation case file number, original filing date, amount of capital stock, where incorporated, principal officers, amendments, and dissolution.
